The Hoffman Clay Studio is pleased to offer another 4-part wheel throwing course. This course will cover wedging, centering clay, basic forms, trimming, attaching handles, glazing, and finishing.

If you've ever wanted to see your pot from start to finish, this course is for you! Perfect for all levels from beginners to those needing a refresh.

Instruction, by local potter Tara Spires-Bell, will include demos and practice time with individual student coaching during class.

Class limited to 5 people—sign up today to reserve your spot!
