Based upon his new book, *L.A. Birdmen*, historian Richard Goodrich offers an entertaining account of the contributions of several West Coast pilots and explains why, in the first decade of the twentieth century, these men rather than the Wright Brothers were America's pilots.

About the author

Richard J. Goodrich (Ph.D., from the University of St Andrews) is an author and historian. After twenty years as a history professor in Britain and the United States, Richard resigned his teaching post to pursue a full-time writing career. His interests range from Ancient History (the Roman Empire and early Church history) to the modern age.
