Join us for conversation with Dena Taylor, the editor of *When a Woman Tells the Truth*, an anthology of poetry, prose, and art by more than eighty women over eighty. Stories, poems, essays, memoirs from women about life after 80—a time for rest, reflection, doing and learning new things, for sadness, grief, adventure, romance, and activism. It's all here in these pages, told with honesty, wisdom, and humor.

Local women (all over 80)  
Liz Cole, Glenna Cook,  
Claudia Johnson, Julianne Johnson,  
Linda Kozlowski, Ann Morgan,  
Leila Salmon, and Suzanne Wallis  
will read their favorite pieces from  
the collection.
