If you've ever said "I can't write"  
or "I'm not an artist," prepare  
to surprise yourself during this  
weekend immersion in  
art journaling with  
artist **Melissa Grace Young**  
and poet **Emily Ransdell**.

Melissa will guide you through mixed-media art techniques using spray stains, watercolors, inks, and colored pencils, as well as incorporating personally expressive elements of collage.

Integrating words from Emily's writing exercises will add depth and context to your journal, resulting in pages that are unique and authentic to you.

Our approach is through spontaneity and exploration, letting go of expectations and self-judgement. Whether you're a seasoned artist, an experienced writer, or just curious to experiment, you'll leave with new ideas and a beautiful journal-in-progress.
