

# THE MAGIC OF MULTIPLES:

## The Magic of Multiples: Mobiles and Installations – A Mixed Media Approach

with Kathy Karbo

**June 21 & 22 | 10 am - 4 pm**

Tuition: \$325 (additional \$25  
materials fee at the door)

We transform simple papers as we paint with abandon! We explore color, texture and pattern with stencils, punches and printmaking techniques. We fold and sew basic book structures for the foundation of your mobile or installation. We embellish with collage, fabulous threads and yarns, found objects and copper wire. Then we assemble, edit, reconfigure, and enjoy!

Come ready to be inspired, to experiment and play!
